TERMS & SERVICE

- Rental is from the time the unit leaves the Power Quality facility until it is received back.
- Customer is liable for any damages to the instruments and its accessories.
- Any item not returned or returned as damaged will be invoiced at normal replacement or repair cost.
- Payment terms are 50% with the rental contract before unit is picked up and 50% within 10 days of returning the unit.
- Instrument rental with engineering service is available.

(Engineering service is subjected to statement of work and on-site location.)

Note:

The price list is for rental in Thailand ONLY. Rental for other countries, please contact PQT for pricing and terms.
